RE: Wildlife Management in Harris County MUD 500 Lakes

On February 24, 2019, MUD 500 received a report of a sighting on February 23, 2019, of an approximately 4' to 5' alligator in the northwestern portion of MUD 500's lakes, off of Mayberry Heights Drive near the boat docks. MUD 500 immediately notified its wildlife management contractor of the sighting and directed the trapper to actively monitor for an alligator and, if one is located, to immediately remove it upon obtaining the required nuisance permit from the Texas Parks and Wildlife Department.

MUD 500 continues to request that residents report any sightings of alligators to its operator, Environmental Development Partners, at (832) 467-1599. MUD 500 encourages your district to share this information with your residents. Please visit MUD 500's website, at <http://www.hcmud500.org>, for additional information.
