

# HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 500

## Lake G Dredging Update – 4/17/2019

The contractor has completed all remaining required work in the main entry canal and in the boat slip area adjacent to two residences, and the District's engineer has determined that the project is complete. The District appreciates your patience throughout the dredging process.

For questions about this project please contact Kara Morrison or J.T. Gaden, with EHRA Engineering, at 713-784-4500.
