On July 18, 2019, MUD 500 received a report of a sighting on July 16, 2019, of an approximately 4' alligator in the southeastern portion of MUD 500's lakes, near the Tuckerton Road Bridge. MUD 500 has obtained the required nuisance permit from the Texas Parks and Wildlife Department and instructed its trapper to continue their efforts to locate and remove the alligator. The District respectfully requests that residents of and visitors to Towne Lake refrain from interfering with its wildlife management contractor and/or any of the contractor's lines, traps, or other equipment left in or near its lakes.

MUD 500 encourages your district to share this information with your residents. Please visit MUD 500's website, at <http://www.hcmud500.org>, for additional information.
