**RE:** Wildlife Management in Harris County MUD 500 Lakes

---

On July 9, 2019, MUD 500 received a report from the District's wildlife management contractor of a confirmed sighting of an approximately 3' to 4' alligator in the southwestern portion of MUD 500's lakes, off of West Pedernales River Drive. MUD 500 has obtained the required nuisance permit from the Texas Parks and Wildlife Department and instructed its trapper to locate and remove the alligator. The District respectfully requests that residents of and visitors to Towne Lake refrain from interfering with its wildlife management contractor and/or any of the contractor's lines, traps, or other equipment left in or near its lakes.

MUD 500 continues to request that residents report any sightings of alligators to its operator, Environmental Development Partners, at (832) 467-1599. MUD 500 encourages your district to share this information with your residents. Please visit MUD 500's website, at <http://www.hcmud500.org>, for additional information.
