After receiving reports of beaver activity in the MUD 500 lakes, MUD 500 has instructed its trapper to locate and remove any beavers from the lakes. The District respectfully requests that residents of and visitors to Towne Lake refrain from interfering with its wildlife management contractor and/or any of the contractor's lines, traps, or other equipment left in or near its lakes.

Please report any sightings of beavers to MUD 500's operator, Environmental Development Partners, at (832) 467-1599. MUD 500 encourages your district to share this information with your residents. Please visit MUD 500's website, at <http://www.hcmud500.org>, for additional information.
