MEMORANDUM

TO: Board of Directors
Harris County Municipal Utility District No. 500
Harris County Municipal Utility District No. 501
Harris County Municipal Utility District No. 502
Harris County Municipal Utility District No. 503

CC: Towne Lake Community Association, Inc.
H. Towne Lake Community Association, Inc.

FROM: Harris County Municipal Utility District No. 500, as Master District (“MUD 500” or the “Master District”)

DATE: December 6, 2022

RE: Notice of Lifting of Stage 1 Drought Conditions

Please be advised that the Master District has lifted Stage 1 (voluntary reductions) of its Drought Contingency Plan. The West Harris County Regional Water Authority, which provides potable water to the Master District, also has lifted Stage 1 (voluntary reductions) of its Drought Contingency Plan. A copy of correspondence sent to customers within MUD 500, as a Participant District, is attached.

The MUD 500 Board would like to express their sincere thanks for your cooperation in voluntarily reducing your water usage. Because of your action, MUD 500 was able to ensure sufficient capacity in its potable water system to meet the needs of the growing Towne Lake community. We wish you and your family a safe and happy holiday season.

(Drought Stage 1 Rescinded)

December 6, 2022

Dear Customer:

Harris County Municipal Utility District No. 500 (MUD 500) has rescinded Stage 1 (voluntary) water conservation measures for potable (drinking) water. The West Harris County Regional Water Authority, which provides potable water to Harris County MUD No. 500's Service Area, also has rescinded its Stage 1 (voluntary) water conservation measures for their potable water usage.

The Board of Directors appreciates your cooperation and perseverance during this Conservation Condition.
